1. The following is an examiner's statement of reasons for allowance: The prior art fails to teach an apparatus and method for treating tissue having magnetic beads that migrate to a target tissue due to a magnetic field induced from a first elongate member and a source of energy for heating the target tissue, where the migrated magnetic beads enhance the heating of the tissue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
